Shu Uemura

Inspired by the traditional Japanese tea ceremonies, Shu Uemura Art of Hair Ceremony range provides exclusive treatments, combining made-to-measure hair care with an unique sensorial journey.

Evo

"Saving ordinary humans from themselves." Fresh from the primordial gene pool, the best cutters, designers and lab rats in the business have created evo: the most luxurious, innovative and yet sensible hair care range that has ever existed.

Moroccon Oil

Empowering beautiful transformations. With antioxidant infused, nutrient rich, innovative formulas that are unmatched and provide dramatic results. That is why salon-exclusive Moroccanoil[®] is preferred by professionals and consumers alike because the products simply work.

Philip Kingsley

Called "The Hair Doctor" by The Times and "The Hair Guru" by The New York Times. The first Philip Kingsley Trichological Clinic opened in London in 1960. He created the product Elasticizer specifically for Audrey Hepburn, and has continued to develop a wide range of award-winning hair care products. Philip Kingsley understands better than anyone the meaning of a 'bad hair day.' After all he invented the term.

Milkshake

An amazing range of professional salon hair products inspired by nature. Milkshakes philosophy is simple, use the power and beauty of nature to get amazing looking hair for all occasions.

WELCOME

FACIAL CARE

The Vault Combination

A facial therapy tailor made especially for your skin type

Providing you with a truly prescriptive approach, this highly relaxing therapy will leave your skin fresh, clear and full of radiance. Regardless of your skin type, age or concerns, this facial will be perfect for you. (£60 - 60mins)

Diamond Brilliance

An anti-aging facial using the powers of crystals & minerals

A spectacular anti-ageing therapy based on the skincare benefits offered by stones, crystals and minerals. Rich in zinc and iron this treatment regenerates and restores the skin's youthfulness, increasing the skin's luminosity and combating the signs of ageing. (£65 - 60mins)

Hydration Safe

Deeply hydrating, lifting & firming

An advanced anti-ageing therapy providing a high level of hydration with an intense tautening and lifting effect. Hydration therapy stimulates the recovery of the skin's firmness whilst working to reduce the appearance of fine lines. The skin is left smoother, firmer and well hydrated. (£70 - 60mins)

Age Investor

Filling lines & wrinkles from within

An advanced anti-ageing therapy commencing with our active Re-New Therapy to prepare your skin for maximum results. Heated stones are used to enable deeper saturation of the active ingredients. The products used contain 'Micro-Dermoxine Complex' an exclusive combination of peptides which have a specific anti-wrinkle effect. Facial micro-tensions are neutralised and collagen micro-fragments are provided which, fill in wrinkles. Whilst this treatment is highly relaxing the visible results are seen immediately. (£92.50 - 75mins)

C+ Intense Boost

The solution for skin which looks dull & tired

An advanced anti-ageing therapy that intensely repairs and revitalises the skin using the power of Vitamin C. Regenerating the skin, stimulating collagen synthesis and optimising hydration, this therapy provides immediate results. Includes an advanced anti-ageing massage which is highly relaxing. (£65 - 60mins)

Eye Spy

Providing instant eye youthfulness

Our Timexpert Eye Treatment works in a natural way to fill in and plump out lines and wrinkles around the eyes. The skin around this delicate area is left looking smoother, lines and wrinkles are reduced in length and depth, and dark shadows and bags under the eyes are reduced. Your treatment includes an express cleanse and tone. (£30 - 30mins)

Oxygen Heist

A preventive aging facial for all skin types, using oxygen therapy to hydrate and illuminate

A superb anti-ageing treatment which uses a complex of active proteins and oxygen to increase the skin's firmness and elasticity. A key ingredient 'Life-Cytoxygen' provides real stores of molecular oxygen that work from the skin's surface to the deepest layers allowing the skin to recover the optimum levels of oxygen. The skin appears more radiant and detoxified. Includes our advanced anti-aging facial massage. (£75 - 75mins)

Add this therapy to any facial to enhance your results

Re-New Therapy (Glyco Peel)

A highly active Glyco Facial Peel is applied, before an advanced neutralising mask with three complementary effects. By commencing a facial treatment with GlycoCure, the skin is deeply renewed. The surface of the skin is immediately improved, wrinkles and irregularities are faded, open pores are minimized and congestion reduced. (£25 - 15mins)

The effects of some facial therapies are maximised by taking a course. Our therapists will be pleased to advise you.

BODY
